## **Terms and conditions**

### **Logo**

The Swiss Bluetec Logo logo is a registered trademark of the Swiss Bluetec Bridge. Use of the Swiss Bluetec Bridge logo requires the express written permission of the Manager of the Swiss Bluetec Bridge. For permission to use the logo please send a request explaining the proposed use to [manager@swissbluetecbridge.org](mailto:manager@swissbluetecbridge.org).

### **Limitation of liability**

Although the Manager of the Swiss Bluetec Bridge takes all possible care to ensure the correctness of the information published, no warranty can be given regarding the correctness, accuracy, uptodateness, reliability or completeness of this information.

We expressly reserve the right to change, to remove or temporarily not to publish the content, in full or in part, at any time and without giving notice.

In no event will the Swiss Bluetec Bridge be liable for any tangible or intangible loss or damage arising from accessing, using or not using the published information, through misuse of the connection or as a result of technical breakdowns.

### **Links**

The Manager of the Swiss Bluetec Bridge has not checked third party web sites, i.e. web sites not located on its servers or in its area of influence that may be connected to this web site via links. Access and use of such websites occurs entirely at the user's own risk. The Swiss Bluetec Bridge does not accept any responsibility or liability for the contents or the services offered thereon.

### **Privacy**

Based on Article 13 of the Federal Constitution and the provisions of federal data protection legislation, everyone has the right to the protection of their privacy, as well as to protection from misuse of their personal details. The Swiss Bluetec Bridge complies with these provisions. Personal data is treated as strictly confidential and is neither passed on nor sold to third parties.

In close cooperation with our hosting provider, we make every effort to protect the databases from outside access, data loss, misuse or falsification.

When you access our websites, the following data is stored in log files: IP address, date, time, browser request and general information on the operating system and browser. This usage data forms the basis for statistical, impersonal evaluations for the purpose of tracking trends so that we can improve the information on offer. Under the Federal Act on the Surveillance of Post and Telecommunications, there is a statutory duty to store data on all connections made in the past six months.

When you choose to make contact with us, your e-mail address will be stored in a separate database not connected with the anonymous log files. You may delete your registration at any time.
